# The Housing Platform for Student Accommodation

A person wearing a dark baseball cap and a striped shirt is seen from behind, carrying a large orange backpack. They are looking out over a calm lake towards a range of mountains under a cloudy sky. An orange vertical bar is positioned to the left of the 'Content' header.

# A secure booking system

All listings include great detail about what is included in the price and what is not

Students pay the 1st month's rent and booking fee to HousingAnywhere.

48 hours after the student moves in, HousingAnywhere will transfer the rent to the advertiser.

This way we keep students and advertisers safe and secure! In case the room is not as advertised, students are 100% reimbursed

# Extra Tips

When using HousingAnywhere

## Never share your contact details!

For security reasons, never share your email address or phone number with the advertiser.

## Get your room straight away!

All listings are transparent and come from verified advertisers. You do not even have to visit the apartment in person.

## Be safe!

Be sure to book your accommodation online, through HousingAnywhere's Secure Booking System. This way, you have the security of being fully reimbursed in case the room is not as advertised.

**Enjoy your experience abroad!**
