Object: NOTICE OF INTERNAL ASSESSMENT PROCEDURE FOR THE DESIGNATION OF AN EMPLOYEE FOR THE PROVISION OF A PROJECT COLLABORATION FOR THE ROLE OF A PROJECT MANAGER INSIDE THE STRATEGIC PROJECT "S & T MED Sustainability and Tourism in the Mediterranean", PO ENPI CBCMED 2007/2013 (CUP C38B12000070003)

Given that the University is committed to the Strategic Project "Sustainability And Tourism in the Mediterranean" (hereinafter S & T DM) is funded by the Operational Programme ENPI CBC Mediterranean Sea Basin 2007/2013 (hereinafter PO CBCMED ENPI).

Given the Executive Decision. No. 58 of 30.07.2013.

Index

A comparative procedure of curriculum in order to ascertain the existence, within the University, of a resource required for the performance of the activity specified in the object.

Activity: The Project Manager is responsible for coordinating all operational and administrative activities, within the project "S & T Med", from the University for Foreigners as a local partner

He must take care of the technical and organizational management of the project, which includes a part of education and professional training, as well as of the business development, aimed at the achievement of the general objectives of the project (promoting a model of sustainable coastal tourism in 4 target areas of the Mediterranean - Balearic Islands, Sardinia, Tunisia, Jordan / Gulf of Aqaba).

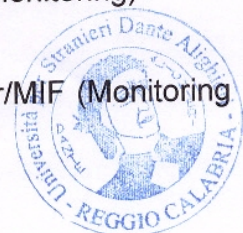

He cares of the respect of the costs, timing and quality agreed in relation to the shares of the project, as well as relationships with other partners and with the subject leader for all the planned activities, also through the participation in meetings and conventions in Italy and abroad. At the same time, he participates in meetings concerning the decision-making processes related to the project, both at central and local level (steering groups, working groups, etc.)

He assumes responsibility for the coordination and monitoring about the status of implementation and progress of the project

The Project Manager oversees the activities of the Local Office Manager and of the Local Accountant.

During the first month of each year, the Project Manager works with the Office Manager and the Local accountant for the preparation of the forecast of annual expenditure and approves it and then forward it to Lead-Partner/MIF (Information System Monitoring)

Each month, the Project Manager is required to inform the Lead-Partner/MIF (Monitoring Information System) on the financial and procedural progress.

Università per Stranieri
"Dante Alighieri"

He is required to disclose - on a quarterly basis and at the end of each year of activity, through a special report - periodic results obtained and the progress of the project activities to the Client.
